The South Dakota Board of Nursing ("Board") met in Sioux Falls, South Dakota, for its regular meeting on February 19, 2016. At that meeting the Board was advised of your failure to renew your nursing license and that you had been working on a lapsed license for 18.3 months.

Based on the information provided to the Board, the Board has determined that your conduct is in violation of its policy as well as SDCL § 36-9-49(9) in that you have engaged in the practice of nursing during a time when your license was lapsed.

Therefore, the Board, according to the disciplinary procedures outlined in ARSD 20:48:08, issues this Letter of Reprimand.

This final action is reportable discipline and will be published in the Board's newsletter, posted on its website, and reported into the National Practitioner Data Bank (NPDB) as required by law. As this is a reportable discipline, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.

Dated this 26th day of February, 2016.
