GENERAL LICENSURE APPLICATION INFORMATION

Every licensee is required to comply with the laws of the State of South Dakota and the Rules and Regulations adopted by the board. A copy of the Laws and Rules and Regulations is included with your application packet.

1. Application for licensure must be notarized.
2. Application for licensure must be accompanied by payment of fee made payable to the “State of South Dakota Board of Hearing Aid Dispensers and Audiologist.” Fees are non-refundable. No application will be processed without submission of all fees.
3. All documents submitted in support of the application must contain an original signature and be submitted directly to the board from the respondent, not forwarded through the applicant.
4. Return completed application and fee to the board office. A personal check or money order payable to the Board of Hearing Aid Dispensers and Audiologists is acceptable.
5. You will be notified by mail of the date, time, and place at which you shall present yourself for a practicum examination if such action is determined by the board. Bring the audiometer, other testing equipment that you use and a supply of ear impression material with you to the examination. A letter with additional information will be sent to you upon Board approval.
6. The written examination is arranged for you through the Board office.
7. The Board will not review the qualifications of a candidate without receipt of a completed application form, supporting documents, and the fee. Failure to provide all the information on the Application Form will result in delay of processing your application.
8. All applications for a provisional license must be accompanied by a sponsor’s affidavit.
9. You may access the board website at www.doh.sd.gov/boards/audiology

GUIDELINES FOR HEARING AID DISPENSER APPLICATIONS BY EXAMINATION

Members of the Board of Hearing Aid Dispensers and Audiologist administer examinations. Written examinations are prepared by the International Hearing Society and require a score on passing the written portion. The board using the following guidelines will conduct a practical test of proficiency and required grade of 75% for passing the practicum portion.

It is the duty of the applicant to secure a sponsor who will train and guide the applicant, using the following guidelines:

1. Completion of the Training Manual for Professionals is suggested but not required. Please allow sufficient time to take the course, as each section must be mailed to national testing company for grading.
2. Applicants must have a thorough understanding of the FDA hearing aid regulations and the IHS Code of Ethics and be able to apply them as required.
3. Applicants are graded on sanitary habits and proper sterilization of equipment.
4. Applicants must be familiar with the audiometer in use and all its functions. A full audiogram will be required, including Aid Conduction, Bone Conduction, Masking, Speech reception Threshold, Speech recognition, Most Comfortable Level, Uncomfortable Level. The applicant must be able to define and interpret conductive, mixed and sensorineural types of hearing loss from audiogram examples.
