Dear Ms. Breece,

The South Dakota Board of Nursing met in Sioux Falls, SD for its regularly scheduled meeting on January 24-25, 2002. The Board was informed that you failed to document medications you administered and documented medications as administered.

Based upon the information outlined above, the Board determined that you were in violation of SDCL 36-9-49 for negligently acting in a manner inconsistent with the health or safety of persons entrusted to your care. As a result of this violation, the Board ordered that this Letter of Reprimand be issued to you in accordance with the disciplinary proceedings outlined in ARSD 20:48:08 with a copy of the Reprimand placed in your nursing file at the Board office. Additionally, the Board directed that you complete the Board of Nursing Ethics module within 60 days of the date of this letter. The module is enclosed for your convenience. This final action of the Board will be published in the Board of Nursing newsletter as required by the Administrative Rules of SD.

In the future, when you complete your South Dakota license renewal form, you must answer "yes" to the following question:

*Has your license or certification in any state or Canadian province been denied, revoked, suspended, stipulated, placed on probation or otherwise subjected to any type of disciplinary action?*

When answering "yes" to a question, you are to explain the dates and circumstances on a separate piece of paper, which is submitted along with license renewal forms.

If you have any questions related to this matter please feel free to contact me.

Sincerely,

Carey Duffy RN; BA
