Dear Mr. Bury:

The South Dakota Board of Nursing met in Sioux Falls, SD for its regularly scheduled meeting on April 17-18, 1997. The Board was informed that you had allowed your nursing license to lapse for more than one week and that you admitted to practicing nursing during the time your license was invalid.

Based upon the information outlined above, the Board determined that you were in violation of SDCL 36-9-68 for practicing nursing without a valid license from February 8, 1997 through March 7, 1997. As a result of this violation, the Board ordered that this Letter of Reprimand be issued to you in accordance with the disciplinary proceedings outlined in ARSD 20:48:08 with a copy of the Reprimand placed in your nursing file at the Board office. Additionally, this final action of the Board will be published in the Board of Nursing newsletter as set forth in the administrative rules. Please be aware that any further violations of SDCL Chapter 36-9 may result in more serious action by the Board.

If you have any questions related to this matter please contact me at the Board office.

Sincerely,

Diana Vander Woude, RN, MS
Executive Secretary
