Ms. Cutler:

The South Dakota Board of Nursing met on May 30, 2013 and reviewed your application for licensure as a registered nurse in South Dakota. It was the Board's decision to deny you licensure in the State of South Dakota based on your past history of chemical dependency, theft of narcotics in Kansas, and noncompletion of the KNAP in the state of Kansas.

If you have any questions or concerns, please feel free to contact the Board office.

Regards,

Sincerely,
Stephanie Orth, MS, RN
Nursing Program Specialist
