Re: RN Application for Licensure by Examination

Dear Ms. Elk Boy:

This letter follows your formal appearance before the South Dakota Board of Nursing on November 15, 2012, at 1:00 p.m. At your appearance, the Board sought additional information from you in regards to your criminal background, which included 12 misdemeanor convictions and a felony conviction for DUI third. These convictions were discovered on a pre-licensure criminal background check. It was noted that you failed to fully disclose all of your criminal history. You also failed to provide the court documents that were requested by the Board.

After careful review of the information received, the Board has voted to deny your request for initial licensure by examination.

If you have any concerns or questions in this matter, please feel free to contact me or Kathleen Tinklenberg at the South Dakota Board of Nursing.

Sincerely,

WOODS, FULLER, SHULTZ & SMITH P.C.
