WHEREAS, on or about November 8, 2013, Licensee was denied renewal of her South Dakota license due to Licensee’s failure to provide additional requested details to the Minnesota Board of Nursing upon her application for licensure in that state; and

WHEREAS, Licensee, on or about August 12, 2014, filed a petition with the Minnesota Board of Nursing to reapply for her Minnesota licensure; and

WHEREAS, said actions have been considered by the South Dakota Board of Nursing at its recent meeting on September 12, 2014; and

WHEREAS, the Board has considered the Licensee's request, the facts surrounding the matter, documents provided by the Licensee, and being fully advised in the premises;

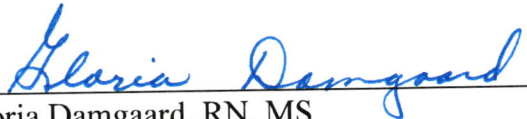

NOW THEREFORE IT IS HEREBY ORDERED:

1. That the Board has jurisdiction over the person of the Licensee and the subject matter of this Order.
2. That the Licensee's license to practice in the State of South Dakota is hereby reinstated for active practice as a registered nurse in the State of South Dakota. Licensee will be granted a single state license only in the State of South Dakota.

4. This single state license also affects Licensee's practice privilege to practice in South Dakota should Licensee change her home state under the Nurse Licensure Compact and Licensee's practice privilege is subject to the same requirements set forth in this order as her South Dakota license.
