Dear Mr. Gallagher,

The South Dakota Board of Nursing met in Sioux Falls July 17-18 and considered the matter of your request for reinstatement of your RN license. The Board moved to reinstate your RN license upon verification of your enrollment in the Health Professionals Assistance Program.

A brochure is enclosed detailing the HPAP program. Your participation in the HPAP program is mandatory in order for your license in South Dakota to be reinstated. Please contact Mike Coley at (605) 394-6688 to enroll in the program.

If you have questions regarding this decision please feel free to contact me at the number above. Thank you for your cooperation.

Sincerely,

Carey Duffy RN; BA
Nursing Practice Specialist
