Dear Ms. Huston:

You have successfully completed the Order of Probation that was issued April 21, 2010 by the South Dakota Board of Nursing. Enclosed please find your current unencumbered LPN multi-state license certificate, valid through April 11, 2016.

Please be advised that you must answer "Yes" to any question on a nurse license or employment application regarding history of disciplinary action by the South Dakota Board of Nursing. Failure to answer "Yes" to this type of question on any future application for nurse licensure will be considered falsification of that application and may lead to further disciplinary action by the Board of Nursing. Specifically, for nurse licensure renewal in South Dakota, you must answer "Yes" to the following question:
Has any nursing license or certificate ever held by you in any state or country been denied, revoked, suspended, stipulated, placed on probation, or otherwise subjected to any type of disciplinary action?

Please feel free to contact Francie Miller, MBA, RN, BSN, Nursing Program Specialist, if you have any questions regarding this matter. The Board of Nursing wishes you the best of luck as you continue your nursing career.

Sincerely,

Francie Miller RN
