

WHEREAS, an informal meeting was held with the Licensee, her attorney, John Schaeffer; Board attorney, Kristine Kreiter O'Connell; and Board staff, Gloria Damgaard, executive secretary; Andrew Albers and Nancy Bohr. (See Minutes of Informal Meeting dated Tuesday, February 1, 2005, which are hereby incorporated by reference as is set forth fully herein); and

WHEREAS, this matter was presented to the South Dakota Board of Nursing at its regularly scheduled meeting on February 9, 2005, in Pierre, South Dakota; and

WHEREAS, at the end of the board meeting it was determined that such conduct, if proven, would be inconsistent with the health or safety of persons entrusted to her care, and would violate the statutes and rules regarding the practice of nursing as set forth in SDCL 36-9-49(5)(10); and

WHEREAS, the Board determined that Licensee's conduct and mental condition endangers the safety or health of persons who are entrusted to her care pursuant to SDCL 36-9-49.1, 36-9-49.1 and 1-26-29 allows the Board to take action upon us showing that the physical or mental condition of the Licensee endangers the health or safety of those persons who are or will be entrusted to her care, or endangers the public health or safety;

WHEREAS, the Board has a statutory obligation to protect the public health, safety, and welfare set forth in SDCL 36-9, including the protection of the public from unsafe nursing practices and practitioners;

NOW, THEREFORE, IT IS HEREBY ORDERED:

1. That the Board has jurisdiction of the Licensee in the subject matter of this Order.
2. That based upon the above, the Board specifically finds that the public health, safety and welfare require emergency action pending proceedings for further action against Licensee's license. The recitals set forth above are specifically found by the Board.
3. The Board specifically finds by clear and convincing evidence that the action by Licensee endangers the public health, safety and welfare and imperatively requires emergency action and that her actions may endanger the health and safety of those persons who are or will be entrusted to her care in the future and that these are matters of the nature that would constitute further grounds for discipline of her license to practice nursing under SDCL 36-9-49.
4. That based upon these findings and until the Board acts further on the complaints being investigated concerning the Licensee, the Licensee's license to practice nursing in South Dakota is hereby suspended. This matter shall be considered at the next South Dakota Board of Nursing meeting held in April 7, 2005, pursuant to the attached notice of hearing.
5. The Licensee shall turn in her license to the Board and it shall be kept until further action on this matter.

6. In addition, the Licensee is further notified pursuant to SDCL 36-9-49.1 that a majority of the Board has demanded a psychological/psychiatric examination of the Licensee, at the Board's expense by the following competent psychological/psychiatric examiner: Dr. Berne Bahnson Licensee must contact said professional examiner and have an appointment made and the results to be furnished to the Board prior to its April 7, 2005, meeting. Licensee must advise the Board on or before Feb 28, 2005, as to when the Licensee has scheduled an appointment so that the Board may provide Licensee's file to the examiner. The examiner must contact the Board office prior to the examination. If the Licensee fails to comply with the Board's direction, the Board may continue the Licensee's summary suspension pursuant to SDCL 36-9-49.1.

7. That the Licensee is further notified that a majority of the Board has demanded that the Licensee complete the following continuing education courses prior to the April 7, 2004, Board meeting as follows:

- Professional Accountability and Legal Liability for Nurses;
- Ethics of Nursing Practice;
- Sharpening Critical Thinking Skills for Competent Nursing Practice;
- Disciplinary actions: What Every Nurse Should Know; and
- Documentation: A Critical Aspect of Client Care.

8. Further orders concerning the Licensee's license shall be based upon a review of the assessments furnished herein and the investigative report file herein and any subsequent conduct by the Licensee.

9. Licensee is also hereby notified that any practice as, or holding herself out as a licensed nurse during the terms of this Summary Suspension is a violation of SDCL 36-9-68.

Dated this 9th day of February, 2005.
