Dear Laural,

As you know, the South Dakota Board of Nursing met in Sioux Falls on April 18-19, 2002 and considered your request for early closure of your probationary monitoring period. The Board moved by a unanimous vote to close the probation and grant you an unencumbered nursing license, upon successful completion of your May probationary meeting.

Your revised nursing license without the probationary designation was given to you on May 2 following our meeting. I would like to take this opportunity to congratulate you on your accomplishments and wish you the best in both your personal and professional endeavors.

If you have any questions or concerns regarding this matter please feel free to contact me.

Sincerely,

Carey Duffy RN; BA
Nursing Practice Specialist
