WHEREAS, the Licensee agrees that he enters into this Voluntary Surrender Consent Order voluntarily and without duress or compulsion, in full understanding of the legal consequences of this document and his rights; therefore,

IT IS HEREBY STIPULATED AND AGREED AS FOLLOWS:

1. That the Board has jurisdiction over the person of the Licensee and the subject matter of this Voluntary Surrender Consent Order.

2. That on or about August 20, 2009, shortly after the Licensee obtained his nursing license in South Dakota, the Board received a complaint regarding said Licensee. When Licensee failed to provide the necessary information regarding the allegations, the Board, on November 29, 2010, summarily suspended the Licensee and noticed him for a hearing.

On January 26, 2011, Licensee's matter came on for hearing before the Board. Licensee was present at the hearing and presented evidence on his behalf. Following the hearing, the Board entered its Findings of Fact, Conclusions of Law and Order of Reinstatement with HPAP on or about February 1, 2011.

On or about June 13, 2011, while employed as a registered nurse in a hospital, Licensee diverted oxycodone and morphine from his employer for his own use.

On June 23, 2011, said Licensee reported the diversion to the Board, requesting to surrender his license, and now intends to leave the profession of nursing as a registered nurse.

3. That the Licensee has been given an opportunity to discuss this Voluntary Surrender Consent Order with an attorney of Licensee's choice, and is aware of his right to a hearing in this matter, and of his rights under the United States and South Dakota

Constitutions, laws, rules and/or regulations. Licensee hereby voluntarily waives all such rights to a hearing, notice, appearance, or any other rights under said Constitutions, laws, rules and/or regulations. Licensee also agrees that the Board's Executive Director or her designee may present this Voluntary Surrender Consent Order to the Board and disclose to the Board all items of her investigation, including, but not limited to, any communications with Licensee.

4. That the Licensee's license to practice nursing in South Dakota and his privilege to practice nursing pursuant to the Nurse Licensure Compact shall be surrendered and the Board shall suspend said license for an indefinite period from the date of this Order. Licensee may apply to have his license reinstated for good cause shown.

5. That nothing in this Voluntary Surrender Consent Order should imply that the Licensee shall be reinstated. Licensee recognizes that the reinstatement terms, as well as the requirements for reinstatement, are at the sole discretion of the Board.

6. That if the Licensee requests reinstatement, Licensee has the burden of presenting information showing that Licensee's license should be reinstated.

7. That it is further stipulated and agreed that this Voluntary Surrender Consent Order is being entered into voluntarily by the Licensee and without threats or coercion and is entered into after the Licensee has been given ample opportunity to

consider these matters and to discuss this Voluntary Surrender Consent Order with an attorney of Licensee's choice and that the Licensee has a full understanding of the legal consequences of this Voluntary Surrender Consent Order and of the Licensee's rights to a formal hearing on these matters, which rights are hereby waived by the signing of this Voluntary Surrender Consent Order.

8. This action is reportable discipline and will be published in the Board's newsletter and posted on its web site and reported into the Healthcare Integrity and Protection Data Bank (HIPDB) and National Practitioner Data Bank (NPDB) data banks as required by law.

9. That the Board may enter an Order consistent with the terms of this Stipulation.

NOW, THEREFORE, the foregoing Voluntary Surrender Consent Order is entered into and is respectfully submitted to the Board with the request that the Board adopt its terms as an Order of the Board in the above matter.
