Dear Carol,

The South Dakota Board of Nursing met in Sioux Falls on April 19-20, 2001 and considered your request for closure of your probationary monitoring period. The Board moved by a unanimous vote to close the probation and grant you an unencumbered nursing license.

You may return your current renewal certificate to the Board office; an unencumbered license will be issued upon receipt of the probationary license. Congratulations on your accomplishments.

If you have any questions or concerns regarding this matter please feel free to contact me.

Sincerely,

Carey Duffy RN; BA
Nursing Practice Specialist
