

WHEREAS, Licensee has agreed that he would surrender his South Dakota nursing license in order to address his current situation; and

WHEREAS, the Board has a statutory obligation to protect the public health, safety, and welfare set forth in SDCL §36-9, including the protection of the public from unsafe nursing practices and practitioners; and

WHEREAS, Licensee agrees that the matters under investigation would be of a nature that would constitute grounds for the discipline of his license to practice nursing in South Dakota under SDCL § 36-9-49; and

WHEREAS, the Licensee agrees that he enters into this Voluntary Surrender Consent Order voluntarily and without duress or compulsion, in full understanding of the legal consequences of this document and his rights; therefore,

IT IS HEREBY STIPULATED AND AGREED AS FOLLOWS:

1. That the Board has jurisdiction over the person of the Licensee and the subject matter of this Voluntary Surrender Consent Order.
2. That on or about August 31, 2012, the Board received a complaint from Licensee's employer alleging verbal abuse and medication errors. On September 20, 2012, the Board issued a Letter of Reprimand with Remediation to the Licensee.

On or about March 5, 2013, the Board received a complaint from Licensee's employer alleging issues with medication administration, patient abandonment, and negative staff interaction. Based on this complaint, the Board requested a Voluntary

Refrain from Practice and mandated that the Licensee undergo a psychological evaluation. The May 5, 2013 evaluation indicated that Licensee's current symptoms are interfering with his functioning as a nurse. The evaluation also indicated that appropriate treatment and therapy will enable the Licensee to function effectively as a nurse.

Licensee hereby voluntarily waives all such rights to a hearing, notice, appearance, or any other rights under said Constitutions, laws, rules and/or regulations. Licensee also agrees that the Board's Executive Director or her designee may present this Voluntary Surrender Consent Order to the Board and disclose to the Board all items of her investigation, including, but not limited to, any communications with Licensee.

4. That the Licensee's license to practice nursing in South Dakota and his privilege to practice nursing pursuant to the Nurse Licensure Compact shall be surrendered and the Board shall suspend said license for an indefinite period from the date of this Order. Licensee may apply to have his license reinstated for good cause shown.

5. That nothing in this Voluntary Surrender Consent Order should imply that the Licensee shall be reinstated. Licensee recognizes that the reinstatement terms, as well as the requirements for reinstatement, are at the sole discretion of the Board.

6. That if the Licensee requests reinstatement, Licensee has the burden of presenting information showing that Licensee's license should be reinstated.

7. That it is further stipulated and agreed that this Voluntary Surrender Consent Order is being entered into voluntarily by the Licensee and without threats or coercion and is entered into after the Licensee has been given ample opportunity to consider these matters and to discuss this Voluntary Surrender Consent Order with an attorney of Licensee's choice and that the Licensee has a full understanding of the legal consequences of this Voluntary Surrender Consent Order and of the Licensee's rights to a formal hearing on these matters, which rights are hereby waived by the signing of this Voluntary Surrender Consent Order.

8. Licensee understands that during the period of this Voluntary Surrender that he is ineligible to work in any nursing role, including that of a nurse aide, nurse assistant, or medication assistant/aide.

9. This action is reportable discipline and will be published in the Board's newsletter and posted on its website and reported into the National Practitioner Data Bank (NPDB) as required by law.

10. That the Board may enter an Order consistent with the terms of this Stipulation.
