

As part of the investigation, Board staff arranged for the Licensee to attend an Informal Meeting. Said meeting was to take place at the Board office in Sioux Falls on June 2, 2009 at 10:00 a.m. A letter dated April 27, 2009, was sent to Licensee at her last known address. Licensee did not attend nor notify Board staff that she would not be attending her Informal Meeting.

WHEREAS, based upon the affidavit of Kathleen Rausch and the above stated conduct, the Board has concluded that the public health, safety, and welfare require emergency action, in that Licensee's actions may endanger the health and safety of those who are or will be entrusted to her care in the future; and

WHEREAS, the Board, has a statutory obligation to protect the health, safety, and welfare set forth in SDCL §36-9, including the protection of the public from unsafe nursing practices and practitioners.

NOW THEREFORE IT IS HEREBY ORDERED:

1. That the Board has jurisdiction of the Licensee and the subject matter of this Order.
2. That based on the above, the Board specifically finds that the public health, safety and welfare require emergency action against Licensee's license.
3. That based on the above, the Board specifically finds that the Licensee's actions endanger the public health, safety, and welfare, and imperatively require

emergency action in that Licensee may endanger the health and safety of those persons who are or will be entrusted to her care in the future and that these are matters of a nature that would constitute further grounds for discipline of her license to practice nursing under SDCL § 36-9-49(5), (7), and (10).

4. Based upon these findings, Licensee's license to practice nursing in South Dakota is hereby summarily suspended. Licensee may petition according to SDCL § 36-9-57 for reinstatement of her license at any time for "good cause". This Order also affects Licensee's privilege to practice in South Dakota. Should licensee change her home state under the Nurse Licensure Compact, then Licensee's practice privilege is subject to the same requirements as set forth in this order as her South Dakota license.

5. That Licensee shall turn in her license to the Board within ten (10) days from the date of this Order and it shall be kept by the Board until further action on this matter.

6. Licensee is hereby notified that any practice of or holding herself out as a registered nurse during the terms of this Order of Summary Suspension is a violation of SDCL § 36-9-68.

7. That this action is reportable discipline and will be published in the Board's newsletter, posted on its website, and reported into the HIPDB and NPDB data banks as required by law.

The South Board of Nursing at its meeting on the 18th day of June 2009 approved this Order of Summary Suspension as written without modifications and issues its Order of Summary Suspension consistent herein as follows:

IT IS HEREBY ORDERED that the above is adopted as an Order of the South Dakota Board of Nursing this 18th day of June, 2009 by a vote of 10 -- 0.
