The South Dakota Board of Nursing (“Board”) met in Sioux Falls, South Dakota, for its regular meeting on February 19, 2016.

At that meeting the Board was advised of the telephonic informal meeting held between you and Board staff on January 29, 2016, regarding you photographing a patient’s x-rays on your personal cell phone.

Based on the information provided to the Board, the Board has determined that your conduct constitutes unprofessional conduct pursuant to SDCL § 36-9-49(10).

Therefore, the Board, according to the disciplinary procedures outlined in ARSD 20:48:08, issues this Letter of Reprimand. In addition, the Board will require you to complete the learning module, Righting a Wrong: Ethics and Professionalism in Nursing. You are responsible to purchase and complete this module and return it to the Board office no later than

March 25, 2016, with successful certificate of completion. You can register for this module on the following website: www.learningext.com.

This final action is reportable discipline and will be published in the Board's newsletter, posted on its website, and reported into the National Practitioner Data Bank (NPDB) as required by law. As this is a reportable discipline, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.

Dated this 24th day of February, 2016.
