

WHEREAS, based upon the affidavit of Francie Miller and the above stated conduct, the Board has concluded that Licensee's new felony conviction along with Licensee's actions constitute unprofessional conduct and require emergency action, in that Licensee's actions may endanger the health and safety of those who are or will be entrusted to her care in the future; and

WHEREAS, the Board, has a statutory obligation to protect the health, safety and welfare set forth in SDCL §36-9, including the protection of the public from unsafe nursing practices and practitioners.

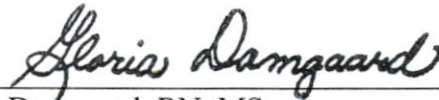

NOW THEREFORE IT IS HEREBY ORDERED:

1. That the Board has jurisdiction of the Licensee and the subject matter of this Order.
2. That based on the above, the Board specifically finds that Licensee's new felony conviction along with the actions of the Licensee endanger the public health, safety and welfare, and imperatively require emergency action in that Licensee may endanger the health and safety of those persons who are or will be entrusted to her care in the future and that these are matters of a nature that would constitute further grounds for discipline of the Licensee to practice nursing pursuant to SDCL § 36-9-49 (2) and (10).
3. Based upon these findings, Licensee's application for reinstatement of lapsed license is hereby denied.
4. This action is reportable discipline and will be published in the Board's newsletter and posted on its website and reported into the National Practitioner Data Bank (NPDB) as required by law.

The South Board of Nursing met on the 8<sup>th</sup> day of February, 2018, and approved the action of denying application to reinstate lapsed license by a vote of 8-0, and issues its Order consistent herein as follows:

IT IS HEREBY ORDERED that the above is adopted as an Order of the South Dakota Board of Nursing this 5<sup>th</sup> day of March, 2018.
