General Instructions for Licensure Application

Please follow instructions carefully to avoid delays in processing your application. If any information on your application is incorrect, incomplete or illegible, processing of the application may be delayed. You can expect that it will take 4 – 6 weeks before all forms are received by the Board office, upon receipt of all forms your application will be considered for approval. You will be notified in writing if additional information is required or that your application has been approved.

Application and Fees
Complete general application Form 1 and return to South Dakota (SD) Board of Nursing (BON) office. The fee for licensure is $100 and must accompany application. Fee payment should be in the form of a money order or check payable to SD Board of Nursing. Fees are non-refundable. If a Temporary Permit is also desired, see Temporary Permit below.

Registered Nurse License
You must hold an active, unencumbered SD RN license or temporary permit; or hold a compact RN license with multi state privilege to practice. If you do not hold a SD RN license, or a compact license, you may apply for SD RN licensure. Complete the RN Application for Licensure by Endorsement.

Criminal Background Check
Pursuant to SDCL 36-9A-9.1 each applicant for initial licensure must submit a full set of fingerprints to obtain a state and federal criminal background check (CBC).

1. Fingerprint cards must be requested and obtained from the SD Board of Nursing because specific Board of Nursing agency data is pre-printed on the cards; to request a CBC packet email Jill Vanderbush or call (605) 362-2760. The CBC packet will contain fingerprinting instructions.
2. Completed fingerprint cards should be sent to the SD Board of Nursing office along with a money order payable to: South Dakota Division of Criminal Investigation (DCI).
3. Cards will be rejected by the Federal Bureau of Investigation (FBI) if they are incomplete, bent, folded, tampered with, stained, smeared, or stapled. If rejected, the Board office will notify you to resubmit your cards.

- Your application for licensure will not be processed or a temporary permit will not be issued to you until your completed fingerprint cards are received. You will not receive a permanent license until the results of your CBC are received in the Board office from the FBI, approximately 1-2 weeks, and after meeting all other application requirements.

Request for Transcript
Submit a transcript from each college, university, or program you attended, or completed course work at, that pertains to your nurse practitioner (NP) education. The college/program that issued your degree must include the date the degree was conferred/awarded or post-graduate certificate awarded, the NP role, and the population focus area(s). Copies of transcripts are not accepted. You may choose to:

1. Complete the college’s online transcript request process, have the transcript electronically sent directly to Jill.Vanderbush@state.sd.us
2. OR – Complete the Transcript Request Form 2 and send to the college’s Office of the Registrar. The Registrar must send the official transcript(s) directly to the SD BON office.

Education Verification
Complete the applicant section of the Education Verification Form 3; send a copy to each college, university, or program that prepared you for your NP role or awarded a graduate or post graduate certificate in nursing degree. The Dean or designated official of the program should complete the bottom portion of the form to verify your education and the accreditation status of the NP program at the time of your attendance. The designated official of the program must return the completed form to the Board office.

Certification Verification
Primary source verification of successfully passing a NP certification examination offered by the American Academy of Nurse Practitioners – Certification Program (AANP-CP), American Nurses Credentialing Center (ANCC), American Association of critical-Care Nurses (AACN), National Certification Corporation (NCC), or the Pediatric Nursing Certification Board (PNCB) and maintaining current certification is required for licensure and renewal. Refer to the certification organizations websites to request primary source verification of your certification status be sent directly to the Board office.
Practice Verification
All applicants for licensure are required to practice a minimum of 1,040 hours as a licensed NP to practice without a collaborative agreement. Applicants may count licensed practice hours from other jurisdictions/states. Submit the Practice Verification Form 4 to verify licensed practice hours.

If you cannot verify 1,040 hours of licensed practice you are required to submit a Collaborative Agreement with a SD licensed physician or SD licensed CNP. The physician or CNP must have a minimum of 2 years of licensed practice experience, hold an unencumbered SD license, and practice in a comparable area to your NP education and certification. Once you have met the minimum 1,040 hours of practice you may complete the Practice Verification Form 4 to request retirement of the Collaborative Agreement.

Advance Practice Nursing Functions and Scope
Once licensed, an NP is permitted to practice the scope defined in SDCL 36-9A-12 and shall collaborate with other health care providers and refer or transfer patients as appropriate as required in SDCL 36-9A-13.1.

As outlined in SDCL 36-9A-12, upon licensure, CNPs may prescribe, procure, furnish, and administer over-the-counter, legend, and controlled substance drugs, schedules II-IV, according to federal and state registration requirements. Additionally, ARSD 20:62:03:11 provides further clarification on prescribing requirements.

Temporary Permit
To practice as an NP in SD, you must possess a temporary permit, or a permanent license issued by the SD Board of Nursing authorizing your practice. A temporary permit is required before you can begin orientation at your place of employment. The permit is valid only for the period it has been issued and may not be renewed. Practice beyond the expiration date is a violation of law and may result in disciplinary action. The holder of a permit to practice will use the designation of CNP-app after name.

1. A temporary permit by examination is issued to an applicant who is waiting for results of the first exam they are eligible to take after completing an NP education program.

   The permit will be issued when the following is completed and received in the Board office:

   a. General Application – Form 1 and $100 fee.
   b. Temporary Permit Application – Form 5 and $25 fee.
   c. Fingerprint cards (see Criminal Background Check)
   d. Verification of current RN licensure.
   e. Verification of education – Form 3 or Transcript verifying degree was conferred;
   f. Verification of examination eligibility: Documentation from AANP-CP, ANCC, AACN, NCC, or PNCB that you are eligible to sit for their exam or that you are awaiting results of the first exam for which you are eligible after graduation.
   g. Supervisory Agreement with a SD licensed physician or SD licensed CNP. Temporary permit applicants are required to be supervised the first 30 days by direct personal contact, which means the collaborating physician or CNP is physically present and available. Thereafter, and until the expiration of the permit, supervision must include two, one-half business days per week. Upon issuance of a permanent license the Supervisory Agreement becomes invalid and the Collaborative Agreement becomes effective.
   h. Collaborative Agreement must be submitted with either a SD licensed physician or SD licensed CNP. Once the minimum of 1,040 hours of licensed CNP practice hours are completed the Practice Verification Form 4 may be submitted to request retirement of the agreement. Hours practiced on a temporary permit are not licensed CNP practice hours and cannot be included in the minimum 1,040 hours.

2. A temporary permit by endorsement is issued to an applicant who holds licensure as a NP in another state or territory and is awaiting licensure in SD. The permit becomes invalid 120 days from issuance date. The temporary permit will be issued when the following is completed and received in the Board office:

   a. General Application – Form 1 with $100 fee.
   b. Temporary Permit Application – Form 5 with $25 fee.
   c. Fingerprint cards (see Criminal Background Check)
   d. Verification of current RN licensure.
   e. Verification of current NP licensure in another jurisdiction/state.
   f. Verification of current certification in role of NP. Provide a copy of your current certification card from AANP-CP, ANCC, AACN, NCC, or PNCB – or – have primary source verification of current certification sent directly from the certification organization.
   g. Submit Practice Verification Form 4. Applicants are required to practice a minimum of 1,040 hours as a licensed CNP to practice without a collaborative agreement. If you cannot verify 1,040 hours of licensed practice complete and submit a Collaborative Agreement with a SD licensed physician or SD licensed CNP.

After the New CNP has practiced at least 1,040 hours of licensed CNP practice, the CNP may submit the Practice Verification Form to request this agreement be retired.

Advance Practice Registered Nurse
Certified Nurse Practitioner Collaborative Agreement

Between ________________________________________, hereinafter referred to as New CNP, and ________________________________________, hereinafter referred to as Physician/CNP.

Whereas, a Certified Nurse Practitioner (CNP) license is required to practice in the role of a Nurse Practitioner (NP) in South Dakota (SD) as provided for under SDCL Chapter 36-9A, as administered by the SD Board of Nursing. Whereas, the scope of practice listed in SDCL 36-9A-12 may be performed by a CNP in collaboration with a licensed physician or CNP as defined in SDCL 36-9A-4 when licensed without the minimum 1,040 hours of licensed practice as a CNP.

Now, therefore, it is agreed between the Physician/CNP and the New CNP:

The New CNP Licensee may perform such services as are allowed by SDCL 36-9A-12 and not expressly excluded by SDCL Chapter 36-9A for which educational and clinic competency has been demonstrated in a manner satisfactory to said Board.

36-9A-12. In addition to the registered nurse scope of practice, as defined in § 36-9-3, and within the certified nurse practitioner role and population focus, a certified nurse practitioner may perform the following advanced practice registered nursing scope:

1. Conduct an advanced assessment;
2. Order and interpret diagnostic procedures;
3. Establish primary and differential diagnoses;
4. Prescribe, order, administer, and furnish therapeutic measures as follows:
   a. Diagnose, prescribe, and institute therapy or referrals of patients to health care agencies, health care providers, and community resources;
   b. Prescribe, procure, administer, and furnish pharmacological agents, including over the counter, legend, and controlled drugs or substances listed on Schedule II in chapter 34-20B;
   c. Plan and initiate a therapeutic regimen that includes ordering and prescribing nonpharmacological interventions, including durable medical equipment, medical devices, nutrition, blood and blood products, diagnostic, and supportive services including home health care, hospice, and physical and occupational therapy; and
   d. Write a chemical or physical restraint order when the patient may do personal harm or harm others;
5. Perform a physical examination for the determination of participation in athletics or employment duties;
6. Complete and sign official documents such as death certificates, birth certificates, and similar documents required by law; and
7. Delegate and assign therapeutic measures to assistive personnel.

It is further understood and agreed by and between the parties:

A. Collaboration will occur pursuant to SDCL 36-9A-1 (6). The New CNP and the physician/CNP will communicate pertinent information and consult together on patient care, with each party contributing their expertise to optimize the overall care delivered to the patient.

B. Nothing in this agreement shall be construed to limit the responsibility of either party to the other in the fulfillment of this agreement.

C. This agreement shall not take effect until it has been filed in the office of the SD Board of Nursing and approved by the Board and shall remain in effect until the agreement is terminated in writing by the physician/CNP or New CNP.

D. The agreement shall remain in effect as long as the terms defined herein describe the New CNP’s current practice unless terminated in writing by either party. Upon termination of this agreement, the New CNP may not perform the services defined in SDCL 36-9A-12 unless a new collaborative agreement is on file with the Boards or the New CNP has met 1,040 hours of licensed CNP practice.
E. It is further understood and agreed by and between the parties that any changes in the practice act subsequent to the date of this collaborative agreement will take precedence and modify the affected provision(s) of this agreement.

The parties hereto enter in this agreement:

Start Date: __________ / _____ / _______.

End Date (if applicable): __________ / _____ / _______.

I, the undersigned, declare and affirm under the penalties of perjury that this Collaborative Agreement has been examined by me, and to the best of my knowledge and belief, is in all things true and correct. I am aware that should I furnish any false information, such an act may constitute cause for denial of approval and discipline of my license to practice in South Dakota.
