Sioux Falls, SD 57103

Ms. Beaudion:

The South Dakota Board of Nursing met on April 19, 2006 and reviewed your application for licensure as a practical nurse in South Dakota. It was the Board's decision to deny you licensure in the State of South Dakota based on your past history of chemical dependency and suspension of your license in the State of Louisiana.

If you have any further questions or concerns please feel free to contact the Board office.
