CERTIFIED MAIL

Dear Ms. Bolling,

As you know, the South Dakota Board of nursing met in Sioux Falls on July 15-16, 2004 and considered the matter of your request for reinstatement of your RN license. The Board moved to deny your request by a unanimous vote.

You have previously been provided with a copy of the Stipulation and Order dated December 11, 2000 which specifies that you may petition again, according to SDCL 36-9-57, for reinstatement of your license at any time for "good cause". Good cause is typically communicated through a letter to the Board and followed by a mandatory appearance at a regularly scheduled Board Meeting. The letter should include information regarding your recent employment history, and future intentions regarding a return to nursing practice.

If you have any questions regarding this matter please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Linda Young".

Linda Young, MS, RN
Nursing Practice Specialist
