SOUTH DAKOTA BOARD OF NURSING

IN THE MATTER OF THE LICENSURE PROCEEDINGS

RE: KRISTINE KAY BURGI, LPN

License No. P008628

Licensee.

WHEREAS, Kristine Kay Burgi, LPN, ("License") is licensed to practice as a practical nurse in the State of South Dakota and holds license number P008628; and

WHEREAS, on or about August 8, 2013, the Licensee self-reported to the South Dakota Board of Nursing ("Board") that she was under investigation due to excessive use of controlled substances. Licensee admitted to having pain management problems. Licensee agreed to voluntarily refrain from practice at that time and was referred to the Health Professionals Assistance Program ("HPAP"). At the time, Licensee opted not to move forward with the HPAP enrollment and instead entered into a Voluntary Surrender Consent Order with the Board, which was signed by the Licensee on December 3, 2013, and accepted by the Board on January 23, 2014. Said Voluntary Surrender Consent Order suspended the Licensee’s LPN license for an indefinite period subject to reinstatement request pursuant to SDCL § 36-9-57, as the Board in its discretion may determine; and

WHEREAS, the Licensee made a reinstatement request, in writing, dated May 19, 2015, at which time the matter of Licensee’s reinstatement was presented to the Board. The Licensee submitted an evaluation report from HPAP evidencing her participation. The Licensee also
provided documentation dated May 6, 2015, from her mental health practitioner, as well as a letter of recommendation; and

WHEREAS, the Board has considered the Licensee’s request, the documents submitted, and being fully advised in the premises;

NOW THEREFORE IT IS HEREBY ORDERED:

1. That the Board has jurisdiction over the person of the Licensee and the subject matter of this Order.

2. That the Licensee’s license to practice as a practical nurse in the State of South Dakota is hereby reinstated.

3. The hereby mandates Licensee’s continued participation in HPAP.

4. All terms and conditions as well as clearance to return to employment and any restrictions on access to narcotics shall be set by the HPAP, and the Licensee shall fully comply with all of those terms and conditions.

5. Additionally, Licensee shall comply with the following conditions during the term of this order:

   CONDITIONS

1. Licensee shall at any time during the term of this order report in person to such meetings of the Board or to its designated representative as directed and otherwise fully cooperate with the Board or its representatives in terms of this order.

2. The Licensee shall notify the Board, as well as the HPAP, in writing, within one (1) week of any change in nursing employment, personal address, and/or telephone number.
3. Licensee shall pay for all costs and expenses in carrying out conditions of HPAP.

4. That within ten (10) days of the effective date of this order, Licensee shall be issued her LPN license by the Board office.

5. During the term of this order, the Licensee is to immediately inform the Board of the outcome of any criminal charges presently or hereafter pending against the Licensee, and whether the Licensee has been convicted, pled no contest, nolo contendere, pled guilty to, or been granted a deferred judgment or adjudication, suspended imposition of sentence with respect to a felony, misdemeanor or petty offense, other than minor traffic violations, that have not previously been reported to the Board.

6. If the Licensee violates any terms of this order, the Board may take such action against Licensee’s license as the Board deems necessary, up to and including an immediate suspension, additional terms, revocation, or other disciplinary action.

7. Licensee shall not violate any law or regulation regarding the practice of nursing.

8. The Licensee shall not practice nursing in any state other than South Dakota, which is a party state to the Nurse Licensure Compact, without prior written authorization from both the Board and the Nursing Regulatory Authority in the party state in which the Licensee desires to practice.

9. This order also affects Licensee’s practice privilege to practice in South Dakota should Licensee change her home state under the Nurse Licensure Compact and Licensee’s practice privilege is subject to the same requirements set forth in this order as her South Dakota license.
IT IS HEREBY ORDERED that the above Order of Reinstatement with Mandated HPAP was adopted by the South Dakota Board of Nursing on the 11th day of June, 2015, by a vote of 10-0.
