Dear Ms. Carlsen:

The South Dakota Board of Nursing met in Sioux Falls for its regularly scheduled meeting on September 21-22, 1994. The Board was informed that you had allowed your license to lapse for more than one week and that you were practicing nursing during that time your license was invalid.

Based upon the information outlined above, the Board determined that you were in violation of SDCL 36-9-68 for practicing nursing without a license from June 15, 1994 thru June 28, 1994. As a result of this violation, the Board unanimously ordered that this Letter of Reprimand be issued to you in accordance with the disciplinary proceedings outlined in ARSD 20:48:08:12(2), with a copy of the reprimand placed in your nursing file at the Board of Nursing office. Please be aware that any further violations of SDCL 36-9, may result in more serious action by the Board.

If you have any questions related to this matter, please telephone me at 335-4973.

Sincerely,

Mona Hohman
Nursing Practice Specialist
