WHEREAS, that on or about August 15, 2014, the Licensee tested positive for a
number of controlled substances for which she did not have a prescription; and

WHEREAS, Licensee has signed a participation agreement and is enrolled with
the Health Professionals Assistance Program, ("HPAP"); and

WHEREAS, the Licensee recognizes that these matters, are of a nature which

Dakota under SDCL §36-9-49; and

WHEREAS, the South Dakota Board of Nursing (hereinafter "the Board") has a statutory obligation to protect the public health, safety and welfare set forth in SDCL §36-9, including the protection of the public from unsafe nursing practices and practitioners; and

WHEREAS, the Board, on November 13, 2014, voted to place Licensee's license on probation with mandated participation in HPAP; and

WHEREAS, the Licensee has expressed a desire to resolve this matter without the necessity of additional formal disciplinary proceedings and hearings; and

WHEREAS, it is the intent of this Stipulation to provide for a settlement of the licensing issues presented by the Licensee's conduct, in a professional manner, without the necessity of further hearings and proceedings herein, and to provide for a responsible solution; now, therefore,

IT IS HEREBY STIPULATED AND AGREED AS FOLLOWS:

1. That the Board has jurisdiction over the person of the Licensee and the subject matter of this Stipulation.
2. That on or about August 15, 2014, the Licensee tested positive for a number of controlled substances for which she did not have a prescription. Licensee has signed a participation agreement and is enrolled with HPAP. Licensee agrees her conduct violates SDCL 36-9-49 (4), (5), (7) and (10), in that such conduct would be inconsistent with the

health and safety of persons entrusted to her care and would violate provisions of the rules and statutes regulating the practice of nursing.

3. The Licensee has been given an opportunity to discuss this Stipulation with an attorney of Licensee's choice, and is aware of Licensee's right to a hearing in this matter, and of all rights under the United States and South Dakota Constitutions, laws, rules and/or regulations. Licensee hereby voluntarily waives all such rights to a hearing, notice, appearance, or any other rights under said Constitutions, laws, rules and/or regulations. Licensee is entering into this Stipulation voluntarily and without duress or compulsion.

4. That from the date this Stipulation is approved by the Board, Licensee's license to practice nursing is placed upon a probationary status for an indefinite period, but not less than sixty (60) months of active practice as a nurse or employment in nursing practice. The probationary terms and conditions set by the Board shall be completely followed by the Licensee. In addition, probationary terms and monitoring conditions shall be set by the HPAP and Licensee shall fully comply with these terms and conditions. After verification from the HPAP that Licensee has fully completed all monitoring terms, Licensee may petition the Board for closure of her probation. The duration of the terms of probation as set by the Board and HPAP shall not be less than the initial term of sixty (60) months, and it is recognized that the Board may require additional probationary time

or additional terms upon the completion of HPAP. Additionally, Licensee shall comply with the following during her probation:

CONDITIONS:

1. Licensee shall at any time during the period of probation, report in person to such meetings of the Board or to its designated representatives as directed and otherwise fully cooperate with the Board or its representatives in the terms of this probation.
2. Licensee shall notify the Board as well as the HPAP, in writing, within one (1) week of any change in nursing employment, personal address and/or telephone number.
3. Licensee shall pay for all costs and expenses in carrying out any conditions of the probation.
4. Within ten (10) days of the effective date of the order, Licensee shall submit her current renewal certificate to the Board office to be stamped "PROBATION".
5. During the term of this probation, the Licensee is to immediately inform the Board of the outcome of any criminal charges presently or hereafter pending against the Licensee, and whether the Licensee has been convicted, pled no contest, *nolo contendere*, pled guilty to or been granted a deferred judgment or adjudication, suspended imposition of sentence with respect to a felony, misdemeanor or petty offense, other than minor traffic violations, that have not previously been reported to the Board.

6. Notwithstanding anything in this Stipulation and Order to the contrary, should the Licensee be convicted of a felony, which would be grounds for discipline under SDCL § 36-9-49, either relating to the allegations which led to this probation or to any other actions or omissions of the Licensee, the Licensee agrees that the Board may take further action against Licensee's license, including, but not limited to immediate suspension.

7. If Licensee violates any terms of this probation, the Licensee agrees that the Board may take such actions against Licensee's license, as the Board deems necessary, up to and including an immediate suspension, additional probation terms, revocation or other disciplinary action.

8. If Licensee obtains a license issued solely or under joint regulatory powers by the Board, other than the license to which this Stipulation refers, at any time during the period of the probation, the terms of this probation shall apply to the other or additional license(s) issued by the Board.

9. Licensee shall not violate any law or regulation regarding the practice of nursing.

10. Licensee shall not practice nursing in any state other than South Dakota which is a party state to the Nurse Licensure Compact without prior written authorization

from both the Board and the nursing regulatory authority in the party state in which the Licensee desires to practice.

11. This probation also affects Licensee's practice privilege to practice in South Dakota should Licensee change her home state under the Nurse Licensure Compact and Licensee's practice privilege is subject to the same requirement set forth in this Order as her South Dakota license.

NOW, THEREFORE, the foregoing Stipulation is entered into and is respectfully submitted to the Board with the request that the Board adopt its terms as an order of the Board in the above matter.

Dated this 29th day of November, 2014.

Brenda M. Doerr
