Dear Mr. Einck:

The South Dakota Board of Nursing issued a Stipulation and Order for Probation with Remediation in July 2009. This letter serves to inform you that the conditions of this Order have been satisfactorily met, and thus, this Order will be closed. Find enclosed your updated nursing renewal certificate.

Be advised, however, that the Stipulation and Order for Probation with Remediation is reportable discipline. As such, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.

Thank you for your cooperation during this process.

Sincerely,

Kathleen J. Rausch, RN
Nursing Program Specialist
