Dear Dawn,

At the recent meeting of the South Dakota Board of Nursing conducted on July 19-20, 1995, the Board considered your request for early closure of your probation as outlined in section 4.13, page 6 of your Stipulation and Order, dated January 20, 1994. The Board unanimously approved your request for early closure based upon your successful compliance with the terms of probation to date.

As a result of the Board's action, your nursing license will now reflect an active and unencumbered status. Please return your current renewal certificate issued for 11/05/94 thru 11/04/96 stamped with "Probation". The Board office will reissue a clean renewal certificate to you. If you have any questions regarding this matter, please call me.

Congratulations on your early closure and good luck in your future nursing endeavors!

Sincerely,

Diana Vander Woude
