Dear Carin:

The South Dakota Board of Nursing met in Sioux Falls, SD on November 15-16, 1995 and reviewed the matters concerning your past employment at the Mary House in Pierre, SD. The Board was informed that you provided the Director of Nursing at Mary House with false information as to having taken the licensure examination and the receipt of your results of that examination and that you were terminated from employment as a result on September 15, 1995.

Based upon the information outlined above, the Board determined that you engaged in conduct which was unprofessional and constituted grounds for disciplinary action under SDCL 36-9-49(10). As a result of this violation, the Board ordered that this Letter of Reprimand be issued to you in accordance with the disciplinary proceedings outlined in ARSD 20:48:08, with a copy of the reprimand placed in your nursing file at the Board of Nursing office. In accordance with ARSD 20:48:08:15, this final action of the Board will be published in the Board of Nursing newsletter. The Board also ordered that you complete the attached self-study learning module on RN standards of practice and code of ethics. Please note that the learning module must be satisfactorily completed and returned to the Board office no later than Tuesday, January 2, 1996. Also please be aware that any further violations of SDCL 36-9 may result in more serious action by the Board of Nursing.

If you have any questions concerning this communication or about the learning module please call me. If I am unavailable at the time you call, leave your name and a date and time that you can be reached.

Sincerely,

Mona Hohman, RN
