WHEREAS, Licensee has agreed that she would surrender her South Dakota nursing license; and

WHEREAS, the South Dakota Board of Nursing ("the Board") has a statutory obligation to protect the public health, safety, and welfare set forth in SDCL §36-9, including the protection of the public from unsafe nursing practices and practitioners; and

WHEREAS, Licensee agrees that the matters under investigation would be of a nature that would constitute grounds for the discipline of her license to practice nursing in South Dakota under SDCL § 36-9-49; and

WHEREAS, the Licensee agrees that she enters into this Voluntary Surrender Consent Order voluntarily and without duress or compulsion, in full understanding of the legal consequences of this document and her rights; therefore,

IT IS HEREBY STIPULATED AND AGREED AS FOLLOWS:

1. That the Board has jurisdiction over the person of the Licensee and the subject matter of this Voluntary Surrender Consent Order.
2. That the Licensee, in September, 2009 was issued a Letter of Reprimand with Remediation for unprofessional conduct (SDCL § 36-9-49(10)) arising out of false documentation, poor nursing care and giving false testimony during an Informal Meeting with the South Dakota Board of Nursing during its investigation of a complaint from the Rosebud Hospital. Said Letter of Reprimand is hereby incorporated as if fully set forth herein.

On or about November 29, 2009, the South Dakota Board of Nursing again received a complaint against said Licensee alleging substandard and inadequate nursing care while the Licensee was in the employ of the Sioux San IHS Hospital in Rapid City. Due to continuing quality of care issues, the Licensee was removed from Federal Service on December 10, 2009 and now intends to leave the profession of nursing as a registered nurse.

3. That the Licensee has been given an opportunity to discuss this Voluntary Surrender Consent Order with an attorney of Licensee's choice, and is aware of her right to a hearing in this matter, and of her rights under the United States and South Dakota Constitutions, laws, rules and/or regulations. Licensee hereby voluntarily waives all such rights to a hearing, notice, appearance, or any other rights under said Constitutions, laws, rules and/or regulations. Licensee also agrees that the Board's Executive Director or her designee may present this Voluntary Surrender Consent Order to the Board and disclose to the Board all items of her investigation, including, but not limited to, any communications with Licensee.

4. That the Licensee's license to practice nursing in South Dakota and her privilege to practice nursing pursuant to the Nurse Licensure Compact shall be surrendered and the Board shall suspend said license for an indefinite period from the date of this Order. Licensee may apply to have her license reinstated for good cause shown.

5. That nothing in this Voluntary Surrender Consent Order should imply that the Licensee shall be reinstated. Licensee recognizes that the reinstatement terms, as well as the requirements for reinstatement, are at the sole discretion of the Board.

6. That if the Licensee requests reinstatement, Licensee has the burden of presenting information showing that Licensee's license should be reinstated.

7. That it is further stipulated and agreed that this Voluntary Surrender Consent Order is being entered into voluntarily by the Licensee and without threats or coercion and is entered into after the Licensee has been given ample opportunity to consider these matters and to discuss this Voluntary Surrender Consent Order with an attorney of Licensee's choice and that the Licensee has a full understanding of the legal consequences of this Voluntary Surrender Consent Order and of the Licensee's rights to a formal hearing on these matters, which rights are hereby waived by the signing of this Voluntary Surrender Consent Order.

8. This action is reportable discipline and will be published in the Board's Newsletter and posted on its web site and reported into the HIPDB and NPDB data banks as required by law.

9. That the Board may enter an Order consistent with the terms of this Stipulation.
