Dear Mr. Jenner:

On November 19, 2010, the South Dakota Board of Nursing reviewed a letter received from the South Dakota Health Professionals Assistance Program (HPAP). This letter relayed that the HPAP Evaluation Committee has approved your request for discharge from the program as you have successfully completed all components of the program.

The SD Board of Nursing then unanimously voted to release you from the Board-mandated participation in the Health Professionals Assistance Program. Congratulations on your successful completion of this program! Find enclosed your updated license cards.

The Board of Nursing gives best wishes to you as you continue your nursing career. Please feel free to contact me if you have any questions.

Sincerely,

Kathleen J. Rausch, RN
Nursing Program Specialist
