WHEREAS, Debra Lavering, RN ("Licensee"), is licensed to practice as a registered nurse in the State of South Dakota and holds License Number R-024870; and

WHEREAS, said Licensee on or about July 22, 2002, was enrolled in the Health Professionals Assistance Program ("HPAP") for alcohol abuse. Licensee was compliant with HPAP until May 28, 2003, when she was hospitalized for alcohol abuse, anxiety, and depression. HPAP monitoring continued. In January 2005, while working at Beverly Health Care in Rapid City, Licensee tested positive for Vicodin. An investigation resulted in termination of Licensee for diversion and falsification of records. Licensee was found to be in noncompliance with HPAP for this and for also failing to self report a September 2004 prescription for Vicodin. In February 2005, Licensee signed a Refrain from Practice with HPAP; and

WHEREAS, an Informal Meeting was held with the Licensee and Board staff, Andrew Albers and Nancy Bohr, along with Mike Coley, HPAP Program Director, on
April 5, 2005. (See Minutes of Informal Meeting dated April 5, 2005, which are hereby incorporated by reference as if set forth fully herein); and

WHEREAS, at the conclusion of the Informal Meeting, the Licensee signed a Voluntary Refrain From Practice Statement and agreed that she would enter into a Voluntary Surrender Consent Order with the Board surrendering her South Dakota license; and

WHEREAS, the Board has not been able to contact Licensee at her last known address and as of this date, Licensee has not signed the Voluntary Surrender Consent Order; and

WHEREAS, Licensee’s conduct as stated would be inconsistent with the health and safety of persons entrusted to her care and violates the statutes, rules, and regulations regarding the practice of nursing and is in violation of SDCL § 36-9-49, (4), (7), and (10); and

WHEREAS, the South Dakota Board of Nursing (“Board”) has a statutory obligation to protect the public health, safety, and welfare as set forth in SDCL ' 36-9, including the protection of the public from unsafe nursing practices and practitioners;

NOW, THEREFORE, IT IS HEREBY ORDERED:

1. That the Board has jurisdiction of the Licensee in the subject matter of this Order.
2. That based upon the above, the Board specifically finds that the public health, safety and welfare require emergency action against Licensee’s license.

3. The Board specifically finds that the Licensee has not observed the terms of the HPAP and that actions of Licensee endangers the public health, safety and welfare and imperatively requires emergency action in that her actions may endanger the health and safety of those persons who are or will be entrusted to her care in the future and that these are matters are of the nature that would constitute further grounds for discipline of her license to practice nursing under SDCL § 36-9-49.

4. That based upon these findings, the Licensee’s license to practice nursing in South Dakota is hereby suspended. The Licensee may petition according to SDCL § 36-9-57 for reinstatement of her license at anytime for “good cause” and upon the completion of the recommendations made by HPAP, their evaluation, and subsequent clearance.

5. The Licensee shall turn in her license to the Board within ten (10) days from the date of this Order and it shall be kept by the Board until further action on this matter.

6. Licensee is hereby notified that any practice of or holding herself out as a registered nurse during the terms of this Summary Suspension is in violation of SDCL § 36-9-68.
The South Dakota Board of Nursing meeting on the 30th day of June, 2005, approved this Order of Summary Suspension as written without modification.

Dated this 11th day of July, 2005.
