The South Dakota Board of Nursing (“Board”) met in Sioux Falls, South Dakota, for its regular meeting on February 6, 2007. At that meeting, the Board was advised of the Informal Meeting that was held between you and Board staff on January 16, 2007, in which your October 16, 2006, pre-employment drug screen, testing positive for propoxyphene without a valid prescription, was discussed.

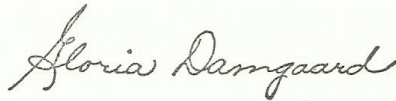

Based on the information provided to the Board, the Board has determined that your conduct is in violation of SDCL § 36-9-49(7) and (10).

Therefore, the Board, according to the disciplinary procedures outlined in ARSD 20:48:08, issues this Letter of Reprimand and mandates the Licensee to one year of random drug testing through the South Dakota Health Professionals Assistance Program (“HPAP”).

This final action is reportable discipline and will be published in the Board's newsletter, posted on its website, and reported into the HIPDB and NPDB data banks as required by law. As this is a reportable discipline, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.

Dated this 6th day of February, 2007.
