Dear Julie:

At the September 16, 1999 Board of Nursing meeting, the Board approved returning Janet McCormick's registered nurse license to an active unencumbered status contingent upon successful completion of the Board ordered 18-month probation. This letter is written to inform you that Ms. McCormick has successfully completed the Board ordered 18-month probation. Her registered nurse license has been returned to an active, unencumbered status as of the date listed above.

Thank you for providing an employer report for Ms. McCormick and for your cooperating during the final period of her probation monitoring.

If you have any questions concerning this matter, feel free to contact me.

Sincerely,

Linda Benedict, RN; MA
