Dear Janet,

The South Dakota Board of Nursing met in Sioux Falls on September 18, 2003 and considered your request for early closure of your probationary monitoring period. The Board moved by a unanimous vote to close the probation and grant you an unencumbered nursing license.

Please return your current renewal certificate to our office. A new license will be issued without the "Probation" designation as soon as we receive it. I would like to take this opportunity to congratulate you on your accomplishments and wish you the best in both your personal and professional endeavors.

If you have any questions or concerns regarding this matter please feel free to contact me.

Sincerely,

Carey Duffy RN; BA
