The South Dakota Board of Nursing ("Board") met in Sioux Falls, South Dakota, for its regular meeting on May 30, 2013. At that meeting the Board was advised that on or about April 2, 2013, you contacted the Board to self report that when you were attempting to renew your Iowa PN license (Iowa PN License No. 53443)(that was to expire on April 15, 2013) that said licensure renewal was denied as you had been living in South Dakota. Further information was provided indicating that you had been working in the state of South Dakota since December 18, 2011, and that you had moved your residence to the state of South Dakota in July 2012. The Board was also advised that you have subsequently started the process to endorse your practical nursing license into the state of South Dakota.
Based on the information provided to the Board, the Board has determined that you have been practicing nursing in the state of South Dakota on an invalid license for a period of 17 months, which is in violation of SDCL § 36-9-49(9).

Therefore, the Board, according to the disciplinary procedures outlined in ARSD 20:48:08, issues this Letter of Reprimand.

This final action is reportable discipline and will be published in the Board’s newsletter, posted on its website, and reported into the National Practitioner Data Bank (NPDB) as required by law. As this is a reportable discipline, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.

Dated this 6th day of June, 2013
