The South Dakota Board of Nursing (“Board”) met in Sioux Falls, South Dakota, for its regular meeting on January 22, 2009. At that meeting, the Board was advised of your request for reactivation in the State of South Dakota. The Board was also advised of a Decree of Censure issued against you by consent by the Arizona Board of Nursing on November 19, 2008, arising out of a medication administration error while employed at the Yuma Regional Medical Center in Yuma, Arizona.

Based on the information provided to the Board, the Board has determined that your conduct is in violation of SDCL § 36-9-49(5).

The Board has determined that it will allow for reactivation of your license in the State of South Dakota, but according to the disciplinary procedures outlined in ARSD 20:48:08, also issues this Letter of Reprimand. This final action is reportable

discipline and will be published in the Board's newsletter, posted on its website, and reported into the HIPDB and NPDB data banks as required by law. As this is a reportable discipline, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.

Dated this 26th day of January, 2009.
