Dear Martyn,

The Health Professionals Assistance Program has reported that you have completely and successfully satisfied the requirements of the monitoring contract and have therefore discharged you from the program. Furthermore, they have recommended that you be granted an unencumbered South Dakota nursing license.

The South Dakota Board of Nursing met in Pierre on February 6, 2001 and considered the matter of your successful discharge from HPAP and request for closure of your probationary monitoring period. The Board moved by a unanimous vote to close the probation and grant you an unencumbered nursing license.

You may return your current renewal certificate to the Board office; an unencumbered license will be issued upon receipt of the probationary license. Congratulations on your accomplishments.

If you have any questions or concerns regarding this matter please feel free to contact me.

Sincerely,

Carey Duffy RN; BA  
Nursing Practice Specialist
