The South Dakota Board of Nursing (“Board”) met for its regular meeting in Sioux Falls, South Dakota on November 19, 2010. At this meeting, the Board was advised that on October 14, 2010, you had entered into a Stipulation and Consent Order with the Minnesota Board of Nursing whereby you were reprimanded and received a civil penalty for practicing outside the scope of your nursing license, unauthorized prescribing, and unprofessional conduct. Based on this information, the South Dakota Board of Nursing recognizes the action taken in Minnesota and the South Dakota Board of Nursing has determined that your conduct would be in violation of SDCL § 36-9-49(5), (7) and (10).

Therefore, the Board, according to the disciplinary procedures outlined in ARSD 20:48:08, issues this Letter of Reprimand.

This final action is reportable discipline and will be published in the Board’s newsletter, posted on its website, and reported into the Healthcare Integrity and Protection Data Bank (HIPDB) and National Practitioner Data Bank (NPDB) as required by law. As this is a reportable discipline, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.

Dated this 29th day of November, 2010.
