

scheduled to be discharged until September 7, 2007, an Informal Meeting was rescheduled for September 14, 2007. On August 27, 2007, the Licensee signed a Voluntary Refrain from Practice Statement and sent it to the Board of Nursing office.

Licensee did not appear at the September 14, 2007 Informal Meeting and was thereafter contacted by telephone at her residence. The Licensee agreed to have the Informal Meeting via telephone. The minutes of the Informal Meeting conducted via telephone are hereby incorporated as if fully set forth herein.

During the telephone interview, the Licensee made full confession to the diversion of oxycodone from the Morningstar Assisted Living Center and agreed to voluntarily surrender her license to the South Dakota Board of Nursing.

On September 21, 2007, an original Voluntary Surrender Consent Order was forwarded to the Licensee for her signature. To this date, Licensee has not returned the signed Voluntary Surrender Consent Order.

WHEREAS, based upon the affidavit of Andrew Albers and the above stated conduct, the Board has concluded that the public health, safety and welfare requires emergency action, in that Licensee's actions may endanger the health and safety of those who are, or will be, entrusted to her care in the future; and

WHEREAS, the Board, has a statutory obligation to protect the health, safety and welfare set forth in SDCL §36-9, including the protection of the public from unsafe nursing practices and practitioners.

NOW THEREFORE IT IS HEREBY ORDERED:

1. That the Board has jurisdiction of the Licensee and the subject matter of this Order.
2. That based on the above, the Board specifically finds that the public health, safety and welfare require emergency action against Licensee's license.
3. That based on the above, the Board specifically finds that the Licensee's actions endanger the public health, safety and welfare, and imperatively requires emergency action in that Licensee may endanger the health and safety of those persons who are or will be entrusted to her care in the future and that these are matters of a nature that would constitute further grounds for discipline of her license to practice nursing under SDCL § 36-9-49.
4. Based upon these findings, Licensee's license to practice nursing in South Dakota is hereby summarily suspended. Licensee may petition according to SDCL § 36-9-57 for reinstatement of her license at any time for "good cause". This Order also affects licensee's privilege to practice in South Dakota. Should licensee change her home state under the Nurse Licensure Compact, then licensee's practice privilege is subject to the same requirements as set forth in this order as her South Dakota license.
5. That Licensee shall turn in her license to the Board within ten (10) days from the date of this Order and it shall be kept by the Board until further action on this matter.

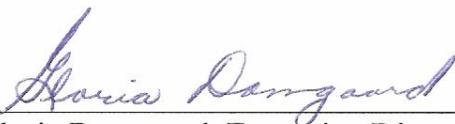

6. Licensee is hereby notified that any practice of or holding herself out as a Registered nurse during the terms of this Order of Summary Suspension is a violation of SDCL § 36-9-68.

The South Board of Nursing at its meeting on the 2nd day of November, 2007, approved this Order of Summary Suspension as written without modifications and issues its Order of Summary Suspension consistent herein as follows:

IT IS HEREBY ORDERED that the above is adopted as an Order of the South Dakota Board of Nursing this 2nd day of November, 2007, by a vote of

9-0.
