Dear Nanci,

At the recent meeting of the South Dakota Board of Nursing conducted on January 27-28, 1998, the Board considered your request for early closure of the probation set forth in the Board Stipulation and Order, dated January 31, 1996. The Board voted unanimously to approve the closure of your probation effective January 27, 1998.

My secretary indicated that a clean unencumbered renewal certificate was reissued to you when you came to the Board office recently. Your computerized licensure profile has also been updated to remove the restricted status on your license.

On behalf of the Board, I want to commend you for the progress you have made during the past two years. Your professional growth was very evident to the Board. I wish you the very best in your professional nursing career!

Sincerely,

Diana Vander Woude, RN, MS
Executive Secretary
