12. If any condition of the probation after reinstatement is violated, the Licensee agrees that the
Board may take such actions as the Board deems necessary up to and including a total and complete revocation of Licensee’s licensing rights as a nurse in South Dakota.

13. If Licensee obtains a license issued solely or under joint regulatory powers by the Board other than the license to which this Stipulation refers in the above-captioned paragraphs, at any time during the period of probation, the terms of this probation shall apply to the other or additional license(s) issued by the Board.
