RE: South Dakota Board of Nursing

Dear Ms. Left Hand Bull:

Pursuant to a stipulation and order that you signed with the request that the South Dakota Board of Nursing (the "Board") approve the order, the Board as you are aware adopted a stipulation and order on July 18, 2002. That stipulation and order specifically provided in paragraph 6(c) that if you did not successfully complete the SDSU Refresher Course within six (6) months of the date of the order, your nursing license would be suspended indefinitely. The Board has not received notice of successful completion of the SDSU Refresher Course, therefore effective January 19, 2003, the South Dakota Board of Nursing has suspended your nursing license indefinitely. The stipulation and order also provides that you may not petition for reinstatement until after a minimum period of one (1) year. At that time, if you wish to reinstate you should contact the Board of Nursing for information.

Within ten (10) days of the date of this letter, you should submit your current renewal certificate to the Board office.

Thank you for your attention to this matter.

Yours sincerely,
