The South Dakota Board of Nursing (“Board”) met in Sioux Falls, South Dakota, for its regular meeting on June 9, 2016.

At that meeting the Board was advised that you had been practicing in the State of South Dakota from February 19, 2016, to May 19, 2016, without being licensed in South Dakota.

Based on the information provided to the Board, the Board has determined that your conduct is in violation its policy as well as SDCL §§ 36-9-39 and 36-9-39.1 in that you failed to properly become licensed in the State of South Dakota from out of state.

Therefore, the Board, according to the disciplinary procedures outlined in ARSD 20:48:08, issues this Letter of Reprimand.

This final action is reportable discipline and will be published in the Board’s newsletter, posted on its website, and reported into the National Practitioner Data Bank (NPDB) as required by law. As this is a reportable discipline, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.
