The South Dakota Board of Nursing ("Board") met in Sioux Falls, South Dakota, for its regular meeting on November 17, 2016. At that meeting the Board was advised that you had been practicing in the State of South Dakota for a period of fourteen (14) months without a nursing license.

Based on the information provided to the Board, the Board has determined that your conduct is in violation of its policy as well as SDCL § 36-9-49(9) in that you engaged in the practice of nursing during a time when you did not have a valid South Dakota nursing license.

Therefore, the Board, according to the disciplinary procedures outlined in ARSD 20:48:08, issues this Letter of Reprimand.

This final action is reportable discipline and will be published in the Board’s newsletter, posted on its website, and reported into the National Practitioner Data Bank (NPDB) as required by law. As this is a reportable discipline, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.
