

2. That based on the above, the Board specifically finds that the actions of the Licensee endanger the public health, safety and welfare, and imperatively require emergency action in that Licensee may endanger the health and safety of those persons who are or will be entrusted to her care and that these are matters of a nature that would constitute further grounds for discipline of her license to practice nursing under SDCL § 36-9-49 (5), (7), and (10).

3. Based upon these findings, Licensee's license to practice nursing in South Dakota is hereby summarily suspended. Licensee may petition according to SDCL § 36-9-57 for reinstatement of her license at any time for "good cause." Should licensee change her home state under the Nurse Licensure Compact, the Licensee's practice privilege is subject to the same requirements as set forth in this order as her South Dakota license.

4. Licensee is hereby notified that any practice of or holding herself out as a registered nurse during the terms of this Order of Summary Suspension is a violation of SDCL § 36-9-68.

5. This action is reportable discipline and will be published in the Board's newsletter and posted on its web site and reported into the National Practitioner Data Bank (NPDB) as required by law.

The South Board of Nursing met on the 19th day of April, 2018, and approved this Order for Summary Suspension by a vote of 7-0 and issues its Order for Summary Suspension consistent herein as follows:

IT IS HEREBY ORDERED that the above is adopted as an Order of the South Dakota Board of Nursing this 11th day of June, 2018.
