WHEREAS, the Licensee recognizes that these matters are of a nature which would constitute grounds for the discipline of her license to practice in South Dakota under SDCL §36-9-49; and

WHEREAS, the Board has a statutory obligation to protect the public health, safety and welfare as set forth in SDCL §36-9, including the protection of the public from unsafe nursing practices and practitioners; and

WHEREAS, the Licensee has expressed a desire to resolve this matter without the necessity of additional formal disciplinary proceedings and hearings; and

WHEREAS, it is the intent of this Stipulation to provide for a settlement of the licensing issues presented by the Licensee's conduct, in a professional manner, without the necessity of further hearings and proceedings herein, and to provide for a responsible solution; now, therefore,

IT IS HEREBY STIPULATED AND AGREED AS FOLLOWS:

2. The South Dakota Board asserts and the Licensee admits to the facts stated herein.
3. The Licensee has been given an opportunity to discuss this Stipulation with an attorney of Licensee's choice, and is aware of Licensee's right to a hearing in this matter, and of

all rights under the United States and South Dakota Constitutions, laws, rules and/or regulations. Licensee hereby voluntarily waives all such rights to a hearing, notice, appearance, or any other rights under said Constitutions, laws, rules and/or regulations. Licensee is entering into this Stipulation voluntarily and without duress or compulsion. Licensee also agrees that the Board's Executive Secretary may present this Stipulation to the Board and disclose to the Board all items of her investigation, including, but not limited to, any communications with Licensee.

4. That from the date this Stipulation is approved by the Board, Licensee's license to practice nursing is placed upon a probationary status for an indefinite period of active practice as a nurse or employment in nursing practice. The probationary terms and conditions set by the Board shall be completely followed by the Licensee. In addition, probationary terms and monitoring conditions shall be set by HPAP and Licensee shall fully comply with these terms and conditions. After verification from HPAP that Licensee has fully completed all monitoring terms, Licensee may petition the Board for closure of her probation. The duration of the terms of probation will be set by HPAP. It is recognized that the Board may require additional probationary time or additional terms upon the completion of HPAP. Additionally, Licensee shall comply with the following during her probation:

CONDITIONS:

1. Licensee shall at any time during the period of probation, report in person to such meetings of the Board or to its designated representatives as directed and otherwise fully cooperate with the Board or its representatives in the terms of this probation.
