### Definitions
- **Assessment**: The ability to cover the needs of the facility and residents per state and federal guidelines.
- **Compassionate Care**: End of life situations and documented psychosocial well-being needs. Members of the certified hospice provider team (RN, nurse aide, social worker, clergy) are allowed to care for the resident.
- **Essential Healthcare Worker (HCW)**: Includes beautician/barber, clergy, DOH ombudsman, SD DOH surveyors, physicians.
- **Incomings**: Non-essential healthcare personnel, such as those providing elective consultations, personnel providing non-essential services, and volunteers from entering the building.
- **Medical Decisions**: Having the right to make decisions about care.
- **Non-Essential Personnel**: Any support person defined by the resident as family, including friends, neighbors and/or relatives.
- **Ombudsman Operations**: Initial survey to certify the provider has met the required conditions to participate in the Medicare Program; State-based priorities.
- **Ombudsman**: Any support person defined by the resident as family, including friends, neighbors and/or relatives.
- **Point Prevalence Testing**: If a positive case is identified in the facility
- **Screening for all residents**: At a minimum: temperature checks, questions about and observation for other signs and symptoms of COVID-19.
- **Universal Source Control**: Cloth face covering or face mask. Social distancing of 6 feet and hand washing or sanitizing upon entry and exit.
- **Visitor**: Blood relative, the resident’s personal representative, or significant other/friend.
- **Visitation**: Indoor and outdoor visitation allowed; telephonic and virtual visits will continue.
