

August 12, 2021

The South Dakota Department of Health has identified 504,449 total persons who have been tested for COVID-19. To provide a more comprehensive view of this data and for future reporting purposes, the number of total tests and number of persons tested will be provided my month, rather than as a single cumulative number.

<b>Month</b>	<b>Total Persons Tested</b>	<b>Total Tests Reported</b>
March 2020	3,481	4,233
April 2020	11,880	14,682
May 2020	23,057	32,894
June 2020	29,618	43,254
July 2020	28,576	48,073
August 2020	31,585	55,099
September 2020	46,938	96,833
October 2020	62,850	144,822
November 2020	77,048	177,930
December 2020	48,565	152,890
January 2021	30,802	106,823
February 2021	21,331	95,309
March 2021	25,245	100,001
April 2021	23,646	100,802
May 2021	14,197	59,452
June 2021	9,167	30,294
July 2021	10,114	28,564
