Ms. Fisher:

At its regular meeting in Sioux Falls, SD on June 28, 2018, the South Dakota Board of Nursing considered your request for closure of your probation and release from mandated HPAP. Upon review of your file, the Board by unanimous decision granted your request for closure of your probation and HPAP.

Please be advised that having your license on "Probation" constitutes formal disciplinary action on your nursing license. You are required to answer "yes" to any questions regarding a past history of having receiving disciplinary action by the Board of Nursing.

Enclosed you will find your current renewal certificate.

The Board of Nursing wishes you much success in your nursing career. Please feel free to contact me if you have any questions regarding the above matter.

Sincerely,

Francie Miller, RN
