SOUTH DAKOTA BOARD OF NURSING

IN THE MATTER OF THE LICENSURE PROCEEDINGS

RE: ANGELA JENNINGS, RN

License No. R029356

Licensee.

SUSPENSION OF PRIVILEGE TO PRACTICE IN SOUTH DAKOTA

The South Dakota Board of Nursing (Board) entered an Order on Licensee’s South Dakota License No. R029356 for Mandated Participation in Health Professionals Assistance Program (HPAP) and Stayed Suspension on September 24, 2020.

On March 18, 2021, the Health Professionals Assistance Program personnel notified the South Dakota Board of Nursing that Licensee was unsuccessfully discharged from HPAP. Based on the Board’s Order, Licensee’s South Dakota License No. R029356 was automatically suspended on March 19, 2021.

Thereafter, Licensee obtained a multi-state license in Iowa, RN105111, which would provide her a privilege to practice in the State of South Dakota under the multi-state license.

For this reason, an additional Suspension is needed terminating Licensee’s practice privileges so that Licensee has no authority to practice as a nurse in the State of South Dakota.

THEREFORE, IT IS HEREBY ORDERED:

1. Licensee’s privilege to practice nursing in the State of South Dakota pursuant to her Iowa multi-state license is hereby suspended.
2. Licensee is hereby notified that any practice as or holding herself out as a registered nurse or otherwise practicing nursing in the State of South Dakota during this term of suspension is a violation of SDCL § 36-9-68.

Dated this 31st day of March, 2021.
