I didn't abandon anyone. I was not assigned to any hall or residents. I was down as a bath aide. I did as many as I could before I was supposed to meet with the therapy nurse to get a list and talk about what I will be doing as a Bath Therapy aide. I don't see how it's abandonment because I left because of a migraine. I just think she was upset because I also put in my notice. I've been a CNA for almost 29 yrs. I have never left my residents alone or leave my coworkers if I was working with someone.
