**College Tobacco Prevention Resource**  
**http://www.ttac.org/college/index.html**

The screenshot shows a web browser window with the URL <http://ttac.org/college/index.html>. The page title is "Tobacco Technical Assistance Consortium". The navigation menu includes "TTAC HOME", "ABOUT CTPR", and "CTPR FEEDBACK". A search bar is labeled "Search TTAC".

The sidebar on the left lists the following items under "CTPR home":

- college tobacco facts
- comprehensive prevention model
- campus examples
- taking action
- links and resources
- literature review
- glossary
- FAQ
- ask us

The main content area features the "ttac College Tobacco Prevention Resource" logo. A "CTPR HOME" button is visible. The section "COLLEGE TOBACCO PREVENTION RESOURCE" includes a photo of diverse students and a "WHAT'S NEW" section with the following link:  
[Updated List of Colleges and Universities with Smokefree Policies from the American Nonsmokers' Rights Foundation](#)

Below the photo, the text reads: "The College Tobacco Prevention Resource (CTPR) aims to provide practical information, ideas, and guidance to assist college leaders with planning, implementing, and evaluating effective campus tobacco policies and programs."

A quote box contains the text: "The college setting presents a prime opportunity for interventions which may prevent initiation of tobacco use, block the transition to regular smoking, or aid students in quitting..." attributed to Abigail Halperin, "State of the Union: Tobacco Use on College Campuses." A Report for the American Legacy Foundation. March 2002.

## Be Tobacco Free South Dakota <http://befreesd.com/home.html>

The screenshot shows a web browser window with the address bar displaying <http://befreesd.com/home.html>. The website has a blue and white color scheme. The navigation menu includes: HOME, TOBACCO FREE LOCATIONS, RESOURCES, SIGN-UP, BUSINESS BENEFITS, LIFESTYLE BENEFITS, and CONTACT. The main content area features the logo for "Be tobacco free. SOUTH DAKOTA" and a welcome message: "Welcome! BeFreeSD.com is a continuously updated resource that South Dakota's residents and visitors can use to discover tobacco-free places to live, work, and play." Below this, there are three paragraphs of text explaining the site's purpose and benefits for business owners, and a testimonial from Leigh Kamstra, owner of Roma's Restorante. The testimonial reads: "At Roma's, my customers can eat, drink, and enjoy themselves in a smoke-free atmosphere. When I chose to make my restaurant entirely smoke-free, my smoking patrons didn't mind going outside. It hasn't hurt my business at all." A link for "MORE TESTIMONIALS" is provided. At the bottom left, there is a "DID YOU KNOW?" section and a "Privacy Policy" link.

### Media Campaign Resource Center

The Media Campaign Resource Center (MCRC) gives you access to CDC-licensed advertisements developed by more than 25 state health departments, nonprofit health organizations, and federal agencies. The MCRC also offers guidance and technical assistance on how to use the materials. Planning and executing a media campaign is a complex process. The MCRC helps you to

- Choose the best ads for your target audience and goal
- Localize and tag advertising materials
- Develop a media plan
- Negotiate with ad representatives and media outlets
- Publicize your campaigns to other states and organizations

Browse the MCRC and learn how to develop a dynamic media campaign.

## National Cancer Institute Tobacco Control Monographs

<http://cancercontrol.cancer.gov/tcrb/monographs/19/index.html>

The screenshot shows a web browser window with the URL <http://cancercontrol.cancer.gov/tcrb/monographs/19/index.html>. The page header features the National Cancer Institute logo and the text "National Cancer Institute U.S. National Institutes of Health | www.cancer.gov". The main heading is "Tobacco Control Research" with a sub-heading "Cancer Control and Population Sciences".

On the left side, there are navigation links: "Cancer Control and Population Sciences Home", "Behavioral Research Home", "Tobacco Control Research Home", and "TCRB Monographs Home". A "Need Help?" section provides contact information: "Contact us by phone, Web, and e-mail 1-800-4-CANCER".

The main content area is titled "Tobacco Control Monographs" and "Monograph 19: The Role of the Media in Promoting and Reducing Tobacco Use". It includes a search bar and a "GO" button. The text describes the monograph as the 19th in the series, providing a critical review of media's role in tobacco use. It lists various translation options: "PDF of Full Monograph or Individual Chapters", "PDF of Executive Summary (English)", "Spanish Translation (PDF)", "Arabic Translation", "Chinese Translation", "French Translation", "Portuguese Translation", and "Russian Translation". It also offers to "Order a printed copy of the Monograph" and "Order a printed copy of the Executive Summary (English)".

There are sections for "Presentation Slides about The Role of the Media in Promoting and Reducing Tobacco Use", "Monograph Fact Sheets" (including General Fact Sheet, Major Conclusions Fact Sheet, Fact Sheet for the Media, Fact Sheet for Decision Makers, Fact Sheet for the General Public, and Fact Sheet for Researchers), and a "Communication Toolkit" with resources like "Drop-in email announcement", "Drop-in article (PDF)", "Monograph 19 Webpage Button", "PDF of Full Monograph or Individual Chapters", "Executive Summary (PDF)", "General Fact Sheet (PDF)", "Major Conclusions Fact Sheet (PDF)", and "Monograph 19 Overview Presentation (PPT, 4,482KB)".

A vertical banner on the right side of the page reads "National Cancer Institute" and "19 The Role of the Media in Promoting and Reducing Tobacco Use".
